PROFESSIONAL EXPERIENCE

Lead Designer & Print Production Artist

September 2017 - Present

RMD Signs - Englewood, CO

- Ability to conceptualize the design process from inception to final product across all mediums (print, outdoor, digital, social, signage and commercial printing).
- Manage creative team and all in-house design projects for RMD Signs including modernizing the website and marketing, increasing new client interaction by 15%.
- Correspond directly with agents at national, local, and out of state real-estate companies including *Keller Williams, RE/MAX, Coldwell Banker, Century 21* and hundreds more.
- Create and lead the training for new hires to efficiently understand the print softwares and machinery.
- Editing and retouching concept designs to ensure color, font, layout and other elements meet print quality standards.

Prepress Artist

February 2017 - September 2017

ClassB - Tampa, FL

- Created custom artwork to customer specifications for The Boy Scouts of America, Gasparilla, breweries, churches, volunteer organizations and businesses.
- Ensured all artwork is set up correctly for optimal printing on multiple products.
- Handled orders in the production department, which included printing, laminating and cutting vinyl graphics, posters, banners, patches, flags, etc.

Lead Graphic Designer

April 2016 - September 2016

Swim Digital Group - Tampa, FL

- Delegated tasks for project completion to several members of the creative team including Junior Designer, Social Media Manager and Copywriter.
- Discussed and reviewed all projects with the design team in order to deliver client projects within reasonable deadlines.
- Directed projects (printed booklets, banners, email campaigns, landing pages, advertisements, university admission packages, logos and other deliverables) for The Glazer Children's Museum, The Florida Holocaust Museum, St. Petersburg College, Broward College and The Working Women of Tampa Bay.

Remote Graphics & Web Designer

January 2016 - April 2016

Bakoa Corp. - Chicago, IL

Graphic Designer

January 2014 - September 2014

BeniComp Advantage - Tampa, FL

When I'm charging my design battery, you can find me at the park or on a hike with my dachshund Opal, grabbing a beer at a local brewery, playing the newest game, or (re)watching all my favorite shows.
